SHOOTING STARS AFTERBURNER

ABOUT THE GAME

Experience classic stepper action with a high-tech twist in Shooting Stars Afterburner! This 3 Reel slot game features three unique Wilds, each landing on its own reel with a distinct cosmic power. Win multipliers, expand paylines, or trigger respins. Land all three Wilds on a payline to trigger 10 Free Spins, where their powers are enhanced!

Any Wild can randomly launch the thrilling two-stage Afterburner Feature. First, watch as the Afterburner supercharges the top prizes with a multiplier boost, then spin the Bonus Reel to win one of the five out-of-this-world prizes. If you want to shoot for the stars, you can't miss this game.
